

## **Mr. Dave Barrett**

Inducted into the NLBA Hall of Fame in 2001 as an “Athlete”

Dave Barrett had size, speed, agility and great anticipation. He combined those ingredients to become one of the most versatile athletes St. John's ever produced. He has been proudly added to our Hall of Fame list as an outstanding athlete.

Dave played his basketball for the Blue and Golds of St. Bon's while in school and later in the city league. Scoring championships and most valuable player awards came easy for the six-foot two inch athlete who carried 185 lbs over a muscular frame.

While he played for St. Bon's all throughout school, he would lead his team to countless victories as he had 35 point games and averaged 29 – 30 points per game season. The Media of the day said things like the team's best ball handler and dangerous scorer... The Daily News called him Mr. Basketball..... Dave was inducted into the St. John's hall of Fame in 1984. To this day, everyone knows Dave Barrett as one of the most promising athletes St. Bon's and Newfoundland had every seen.
