The NLBA is the provincial sport governing body for amateur basketball in Newfoundland & Labrador. Its mission is to develop the sport of basketball domestically, and to contribute to the development of basketball internationally.

## Alumni Program

To ensure that all talented players reach their potential within the Provincial Team Program, a team of veteran basketball players, coaches and supporters has proposed the establishment of the Alumni Fund. The Alumni Fund will provide financial support to individuals and teams to the Provincial Elite Team Development Programs.

### Goals:

- The short term goal is to financially assist athletes this upcoming year. Athletes that would otherwise be unable to attend national competitions due to the financial burden.
- The long term goal is to fully compensate the male and female provincial teams that compete annually in National Championships.

## About the Program

Newfoundlanders and Labradorians have long since recognized the basketball talent within this province and have been huge supporters of the development of the basketball community

It is the hope of the NLBA Alumni Fund that this financial assistance will recruit future basketball athletes into our provincial programs. That these players will then continue to support the basketball community by acting as role models and providing active support to future basketball players.

It is the vision of the NLBA Alumni Fund that former provincial basketball players, their families and corporate sponsors will donate annually to the fund.

The NLBA Alumni fund will be managed by representatives of the NLBA executive committee and persons directly involved in the basketball community.

The ongoing financial support will ensure the provision and enhancement of the training opportunities required for advance basketball competition.

## Contributions to the Alumni Fund

Contributions to the Alumni Fund can be made directly to the NLBA office by cheque made payable to the NLBA or on-line through PayPal @ <http://www.nlba.nf.ca/hm-makepayment.php>
