

Coach Development

The National Coaching Certification Program (NCCP) is a coach training and certification program for all coaches in more than 60 sports. The NCCP is moving towards a competency-based approach where coaches are:

- trained in NCCP outcomes relevant to the participants that they are coaching
- evaluated by demonstrating coaching outcomes to a specific standard

Canada Basketball is developing clinics in the following areas.

Clinics

Community Coach

Participants of all ages are encouraged to participate in the sport and introduced to sport basics in a fun, safe, and self-esteem building environment regardless of their ability.
